

# OneHub

## Overview

# One Platform, One Solution. It all begins with One.

A single, all-in-one online platform that gives you easy access to a wide range of innovative solutions for your business needs.

**OneHub** is your online marketplace, the only place you need to visit to access the information and solutions you're looking for as a Standard Bank corporate client.

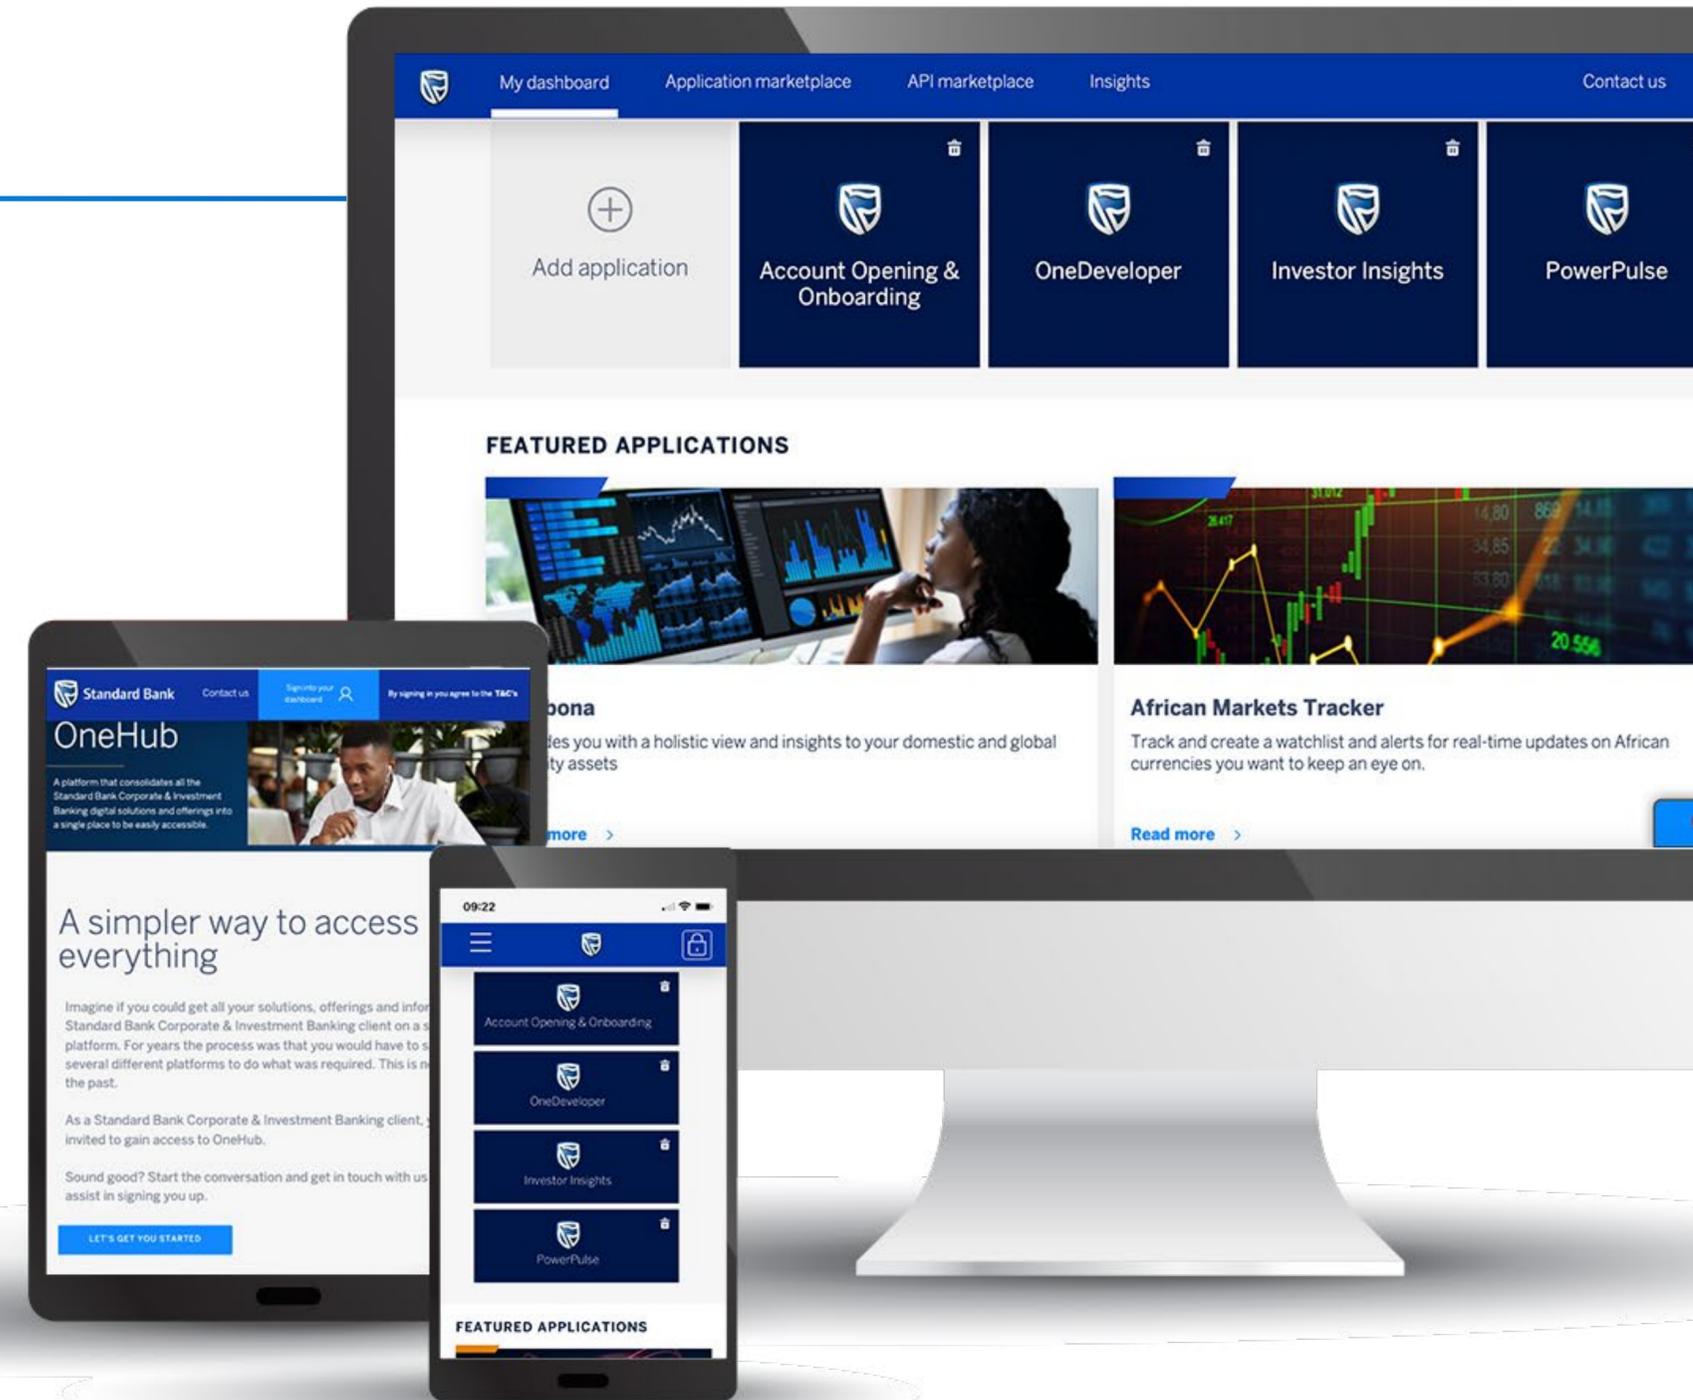

# OneHub, One world of possibilities

**OneHub** is more than a platform. More than a marketplace. It's an ecosystem, ever-expanding into new areas of value, insight, and convenience.

Along with our trusted partners, we're introducing advanced digital offerings and solutions to fast track your success.

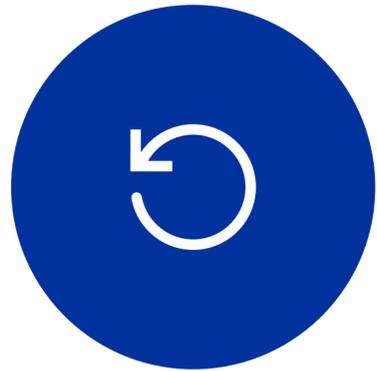

We've already identified a range of key value propositions and provided a rich array of solutions to address these business-critical propositions.

**And there's more to come.  
Join us. The future is waiting.**

# Let's work together to make business work better

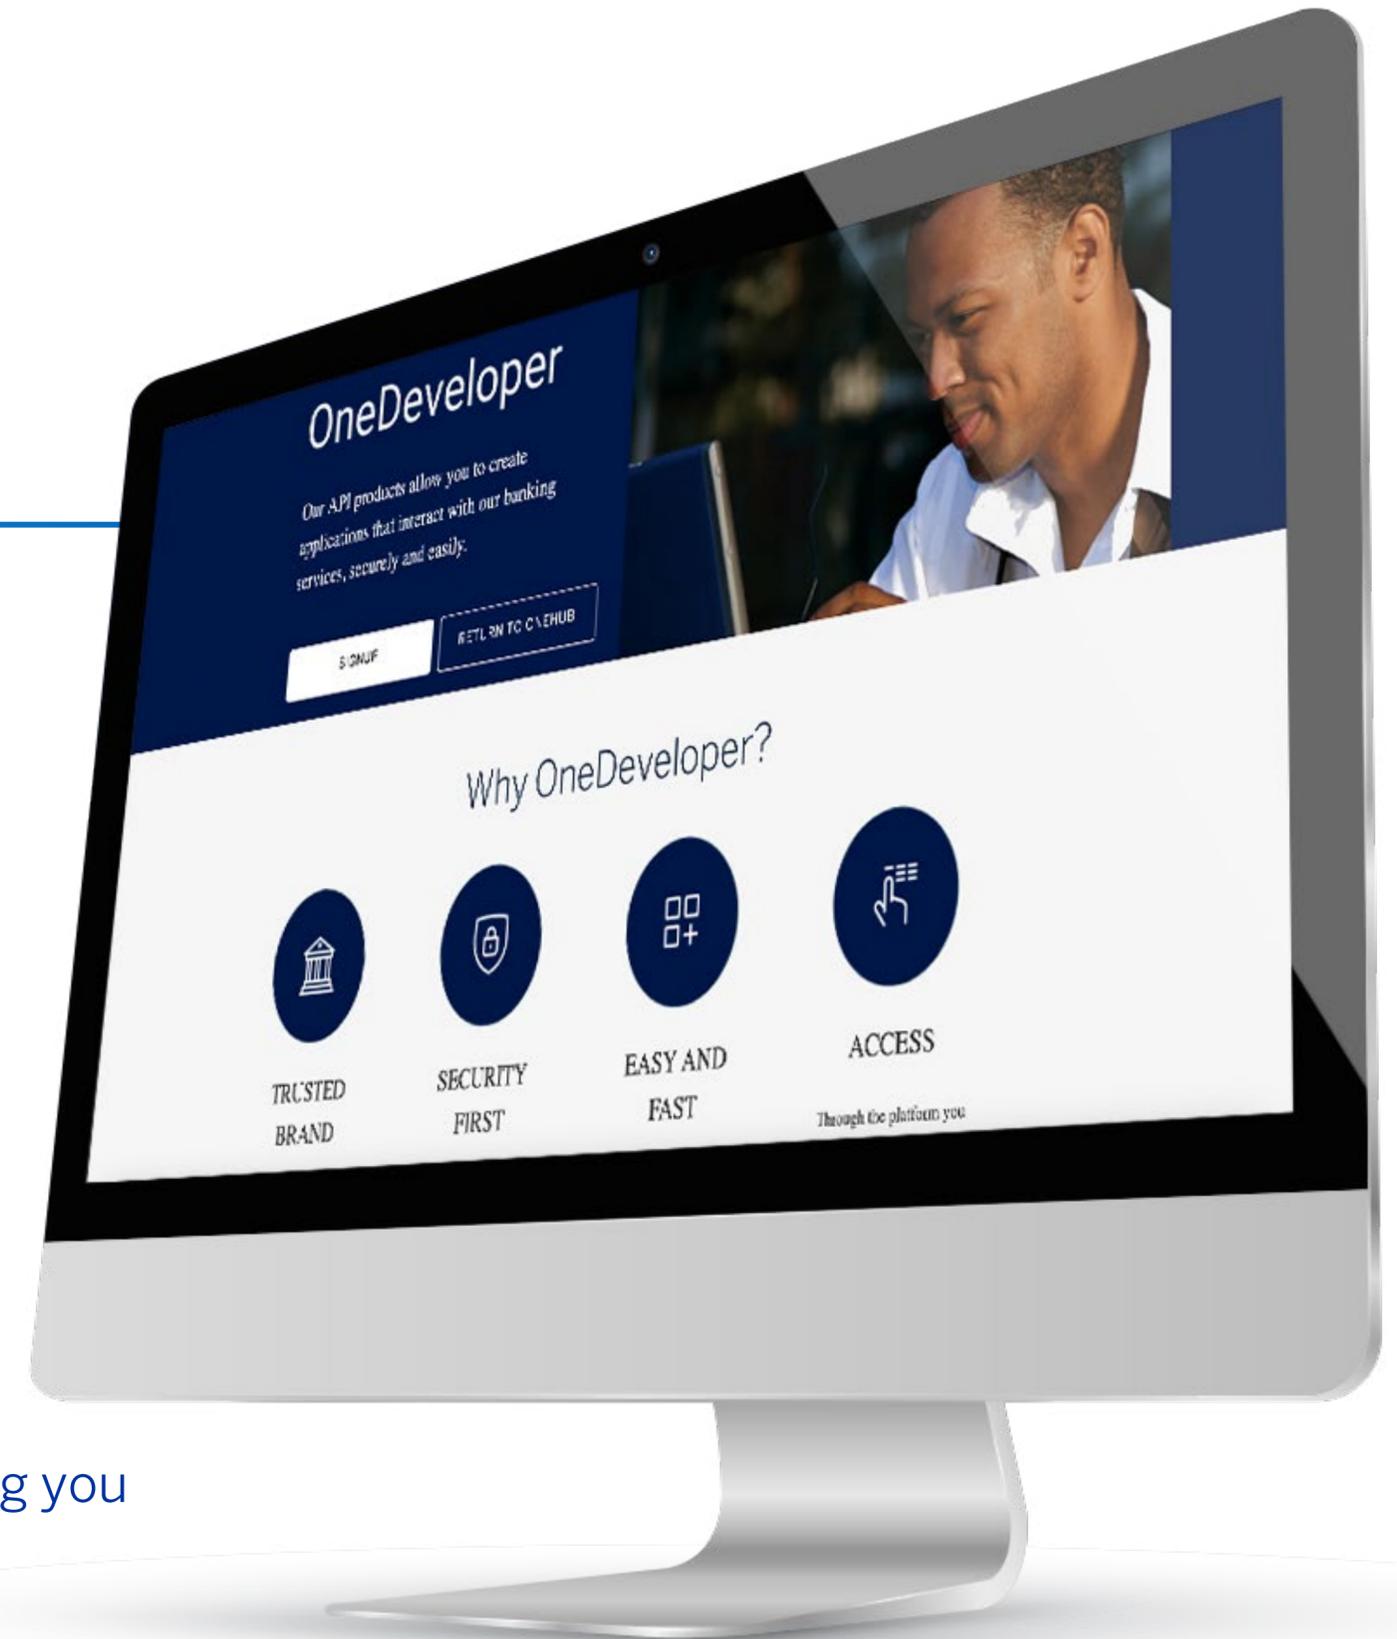

**We believe that collaboration is the gateway to innovation.**

When you join **OneHub**, you'll gain access to a world of products and a vibrant marketplace community, giving you the opportunity to use, develop, discuss and publish APIs and solutions in collaboration with Standard Bank.

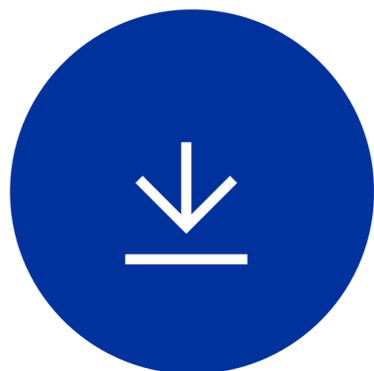

Business clients and partners will also gain access to the OneDeveloper solution, which offers an API sandbox for the developer community.

In this way, APIs can be discovered and securely accessed, allowing you to build new solutions to complex business-to-business problems.

# How does OneHub work?

---

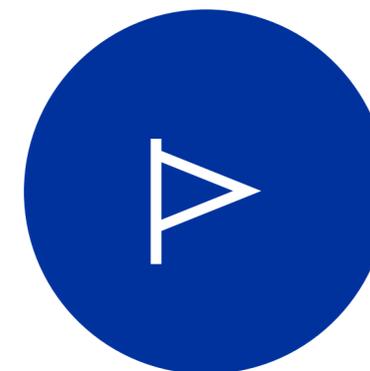

Once you've registered as a user, all you need to do is log in to the OneHub platform from any device.

There's no need to navigate between multiple windows, or remember multiple passwords.

Our multi-factor authentication process will grant you seamless access to the OneHub range of services.

It's safe.  
It's convenient.  
It's secure.

---

## It all begins with you.

You can tailor and customise the offerings on **OneHub** to suit the unique way you think and work.

Each time you log in, **OneHub** will remember your personalised settings.

---

# Sign in, sign up and see for yourself!

---

If you're an existing Standard Bank client and you would like to register, please complete [this form](#).

Please contact us on [onehub@standardbank.co.za](mailto:onehub@standardbank.co.za) for more information.

**Coming soon:** Businesses that are not yet Standard Bank clients will be able to register to fast-track their business success with **OneHub**.
